

The background is a photograph of a trade show booth, heavily overlaid with a solid blue color. The booth features curved white walls and various displays. In the upper center, the word 'prove' is written in a large, stylized font. Below it, the words 'product with love' are written in a smaller, lowercase font. The overall aesthetic is modern and clean.

Global Innovator in Smart Electronics & Mobile Accessories

COMPANY PROFILE

BORN IN ASIA. BUILT WORLDWIDE

Founded in 2020, Proove bridges the gap between China's limitless manufacturing power and the high standards of the global market.

We create thoughtful user experiences, not just devices. Our B2B model is built on operational flexibility: we launch stylish, high-margin products tailored to our partners' needs.

We prove that smart electronics can be affordable, reliable, and highly profitable without compromising on quality. We're scaling fast – grow with us.

PROOVE KEY METRICS

- 11 high-demand categories
- 200+ certified factories in China
- Pioneers in GaN & Qi2 tech
- Backed by U.S. and global capital

logistics hubs

PROOVE ADVANTAGES

Unsurpassed Value

We balance premium features with optimal costs to ensure high margins for you and accessibility for end-users.

Logistics Support

We assist our partners with logistics. Our team helps organize efficient shipments from China, optimizes routes, anticipates delays and solves them early.

Double-Check Quality

We test our products twice: at the factory and at our own warehouse. The result is a defect rate of only 0.3%. You receive only serviceable equipment.

Hassle-Free Warranty

We stand behind the quality of our products. Enjoy simple, transparent warranty terms that help build trust with your customers.

Aesthetic Intelligence

Minimalist design, premium materials, and sleek forms. Our products are crafted to attract attention.

Dedicated Partnership

We help our partners grow their businesses with fast service and dedicated support at every stage.

Turnkey Marketing

Get free access to high-quality videos, photos, and POS materials designed to drive sales from day one.

Price Protection

We strictly follow RRP policies to prevent dumping and protect your profits from devaluation.

HISTORY MILESTONES

2020 Brand Foundation

- Established the Proove brand identity.
- Market launch with first product line: electric scooters.

2021 Quality Improvement

- Launched plotters and electric mobility solutions.
- Implemented 2-phase QC inspection.
- Integrated R&D to drive product innovation.

2022 Strategic Pivot

- Focused on mobile electronics.
- Enhanced product durability with advanced tech.
- Expanded market reach with new categories.

2023 Ecosystem Scale-Up

- Launched 3 main product categories.
- Scaled product range to 350+ unique SKUs.

2024 Global Infrastructure

- Opened Sales HQ and warehouse in Shenzhen.
- Launched the Proove Gaming sub-brand.
- Debuted at major trade shows in Berlin and Hong Kong.
- Achieved 650+ SKUs across 8 categories.

2025

Active Growth

- Expanding catalog to 1500+ SKUs across 11 categories.
- Participating in 9 international exhibitions.
- Scaling the Proove Gaming product line.

PROOVE TECHNOLOGIES

CHARGING

GaN

New technology that makes chargers much smaller than traditional ones. Charges devices faster, stays cool, and keeps them safe while maintaining durability.

Qi2 Technology

A new wireless charging standard that provides precise magnetic alignment, minimizes energy loss, and speeds up charging.

AI Power

A small smart chip that detects how much power the device actually needs. It charges quickly but safely, protecting the battery life.

PROOVE TECHNOLOGIES

AUDIO

Surround Sound 7.1

Seven channels and a subwoofer create a realistic soundstage. In games, you can hear exactly where shots are coming from – behind you, to the left, or right. Perfect for movies and music too.

ANC & ENC

Active Noise Cancellation cancels external noise, while Environmental Noise Cancellation reduces background noise during calls.

3D Mode

Simulates three-dimensional audio, making sound feel very realistic and immersive.

Bass Boost Mode

Enhances low frequencies for richer, more dynamic bass without losing overall sound quality

PROOVE TECHNOLOGIES

GAMING

Armrest 8D

Move these armrests in 8 different directions: up, down, forward, back, and rotate them. Helps you find the perfect comfortable position for your arms.

Headphones Game Mode

Ensures the sound matches the video perfectly. You hear the action at the exact moment it happens on screen, which is critical for winning fast-paced games.

Hot Swap

Allows you to pull out and replace keyboard buttons by hand. You can change how your keyboard feels or fix broken switches without buying a new keyboard.

ON THE GLOBAL STAGE

HEART OF INNOVATION

Our office is based in Shenzhen, inside the famous SEG Plaza in the center of Huaqiangbei, the world's largest electronics market. This strategic location gives us a real advantage: we have direct access to the latest components and trends. Here, we test and launch innovations before they become global standards. Our on-site mini-store provides instant feedback, ensuring that only market-ready products reach our partners.

FLAGSHIP STORE

We create physical hubs where customers connect with the product directly. Our official stores allow customers to touch, test, and experience our ecosystem, building deep trust and brand loyalty.

GLOBAL LOGISTICS HUB

We operate a high-tech logistics center designed to eliminate supply chain risks. Our centralized hub ensures constant stock availability and fast shipping. Thanks to modern warehouse management systems, we guarantee order accuracy and timely delivery to partners worldwide.

EXHIBITIONS

HONGKONG GLOBAL SOURCES

At the Global Sources Consumer Electronics Exhibition, Proove presented one of the largest and most technologically advanced booths at the event. We're proud that our products were also highlighted on the official Global Sources platform.

EXHIBITIONS

HONGKONG ELECTRONICS FAIR

We debuted at the Hong Kong Electronics Fair in 2024.

The response was immediate and tangible – resulting in key partnerships that expanded our reach far beyond the domestic market.

EXHIBITIONS

DUBAI

GITEX
GLOBAL

We also had an amazing experience at Gitex Global in Dubai.

Over five intensive days, we met hundreds of innovators from around the world and proudly showcased our latest gaming gear, charging solutions, and smart home devices.

EXHIBITIONS

BERLIN IFA

We are a regular participant of the Innovation for All exhibition in Berlin. Every September, we introduce our latest line of mobile accessories to the European market and unveil new innovations within the Proove Gaming sub-brand.
